#### **MISSION STATEMENT**

The mission statement of Service King, as a corporation, is to provide a secure, fulfilling workplace that motivates our teammates to deliver high quality repairs and excellent customer service. While meeting and/or exceeding our customers' and insurance partners' expectations is our main objective, it is also essential that our teammates focus on Service King's goal of remaining a profitable company. It is profitability that will ensure consistent growth, expansion and company success, which, in turn, will provide greater opportunities for our teammates' growth, promotion and benefits.
