

Service King Collision Repair Centers Opening its 60th Location in Mansfield, Texas

Richardson, TX – October 12, 2012 – Service King Collision Repair Centers, a Texas-based operator of high- quality collision repair facilities in the Dallas / Fort Worth, Houston, San Antonio, Austin, and Arizona markets, finalized their purchase of Collision Specialists of Texas, a collision repair center in Mansfield, Texas. This is Service King's 60th location making Service King the fastest growing collision repair provider in the nation.

Brent McKinney, Vice President of Service King's DFW Market stated, "Collision Specialists has a reputation for quality repairs and excellent customer service. As we continue to acquire high quality collision centers, growth and promotional opportunities become available and that is very motivating to our new teammates."

The services offered at this new location are just as one would find at any Service King throughout Texas and Arizona with a focus on customer service, quality repairs, and on-going training. All repair work is backed by a written lifetime guarantee, providing the ultimate in quality and customer satisfaction and, visitors can expect the same clean, comfortable customer lobby, accommodating to both customers and insurance partners. In addition, our newest location in Mansfield will ultimately employ over 40 teammates.

"Enthusiasm, excitement and momentum are abundant throughout our Service King Team. We look forward, with our company, to greatly expanding our resources and our customer base," said Chris Abraham, Service King's CEO. "While our organization continues to prosper, new opportunities for growth and expansion are on the horizon and that's something we are all very excited about."

Jeff McFadden, Service King's President stated, "We are proud to open our 60th location in Mansfield, TX just two weeks after announcing the acquisition of Auto Body World in Arizona. Our strategic plan to become the premier collision repair provider in the nation is well underway."
