Golf & Country Club**

**Benefiting:**

Imagine waking up everyday without one or more of your limbs, with severe burns or even being paralyzed. For thousands of War on Terror wounded Veterans these new

physical realities will be with them for the rest of their lives. These precious heroes volunteered to serve our country and protect the freedoms we enjoy each and every day. Because of their sacrifice, we have the opportunity to run a business, to raise our children and to live in a free democracy...and even dream about a future of freedom and prosperity.

Helping A Hero is a 501(c)(3) non-profit, non-partisan organization that enables all Americans to say "Thank you for your service" to our wounded heroes in a tangible way. They build specially adapted homes for severely injured military personnel and their families and adapt these homes for the specific injuries and challenges of our wounded heroes.

We're asking you to join the Service King team to help the American heroes living in San Antonio. For information on the charity visit [helpingahero.org](http://helpingahero.org).
